

MIDAS METERING SERVICES LTD.

METERING INSTALLATION AND DATA ACQUISITION SERVICES

POWER MEASUREMENT ION[®] INTEGRATION SERVICES

Background: Power Measurement Ltd. (PML) designs and manufactures their energy-management systems for energy producers and consumers in over 80 countries. Their ION[®] software and intelligent metering and control devices help businesses to improve power quality, reduce energy costs, and maximize reliability. MIDAS is a certified ION Integrator whose extensive experience with PML products dates back to 1995.

Description: MIDAS offers a full range of PML ION[®] integration services to help customers realize the full potential of their investment in PML energy measurement and management systems.
